ROSE COMMUNITY FOUNDATION

Early-Childhood Development Funding Areas:

Rose Community Foundation makes grants to prevention programs and efforts that support children from birth to age five, in two general categories:

Parent education programs

High-quality and accessible child care and early-childhood education designed to help young children develop the emotional security, social competence, and intellectual capacity they will need to succeed in school, and to become healthy, happy and productive adults.

The Foundation provides funding to:

Strengthen and expand proven high-quality early-education programs,

Provide training and education for early-childhood professionals, and

Develop and implement quality improvement plans for child-care centers.

No grant application deadlines -they are reviewed as they come in to the foundation.
