

## Qualistar Early Learning Data Report Definitions

The definitions below are intended to help in interpreting the report information. This data is stored in NACCRRAware, a database system that the Child care Resource and Referral Network Partners use to store information. For each child care program type the number of licensed providers, their combined desired capacity, and the actual combined licensed capacity for those providers are displayed.

- \* For the Period: The date range of the information pulled for the report.
- \* Child Care Center: A program with a Center License or a Preschool License.
- \* Family Home Provider: A program with a standard FCCH (Family Child Care Home) License, a 3 under 2 FCCH License, a Large FCCH License, an Infant Toddler FCCH License, or an Experienced FCCH License.
- \* School Age Program: A program with an SACC (School Age Child Care) License.
- \* Licensed Providers: Providers that are licensed with the state of Colorado. This does not include legally exempt providers.
- \* Desired Capacity: The actual number of children a program is willing to care for at any given time. This number may be equal to or less than the licensed capacity.
- \* Licensed Capacity: The actual number of children a program is legally allowed to care for at any given time.

### Child Care Referrals

- \* Phone Referrals: All child care referrals given by phone to families located in the Child Care Resource and Referral Network Partner's service delivery area (SDA).
- \* Internet Referrals: All online child care referrals to families.

### Qualistar Ratings

This data is stored in the Qualistar Ratings Database. This report details the number of ratings completed during the time period. It does not give the number of currently rated programs.

- \* 4 Stars, 3 Stars, 2 Stars, 1 Star, and Provisional: This report is broken out into stars received. The following fields will be used for each individual star level.
  - Qualistar Rated Programs: The number of programs that were rated during that time period.
  - Classrooms Rated: The total number of classrooms within those programs that were rated during the time period.
  - Children Enrolled: The total number of children enrolled in the programs that were rated during the time period.
  - Families Served: The total number of families that are served in the programs that were rated during the time period.
  - Average Overall Points: The average total points earned by the programs that were rated during the specified time period.  
The scale is 0 to 42 points for centers and 0 to 39 points for family homes (42 as of 7/07).

- Average Learning Environment Points: The average learning environment points earned by the programs that were rated during the specified time period. The scale is 0-10 points.
- Average Family Partnership Points: The average family partnership points earned by the programs that were rated during the specified time period. The scale is 0-10 points.
- Average Training and Education Points: The average training and education points earned by the programs that were rated during the specified time period. The scale is 0-10 points and is the total of both administrative and teaching staff points.
- Average Adult: Child Ratio Points: The average ratio and group size points earned by the programs that were rated during the specified time period. The scale is 0-10 points.
- Average Accreditation Points: The average accreditation points earned by the programs that were rated during the specified time period. The scale is 0 or 2 points.
